Boston Dear Madam

My Sister Miss Paton is so occupied
with getting the Boxes for your Society packed
that she has not a moment to spare
to write you. I request me to say that
after writing you of last mail, she thought
she would collect all Articles, possibly
to be had, send them by Steamer of 19th Nov -
they are now with Contents in two Boxes, -
Particulars are enclosed, Amount £150. 1.5
there are also a few Articles & Books sent
by Q. Pease directed to some A.S. friends
which I have forward earliest favorable

opportunity, also a parcel from some
friend of Mr Adams, in N.Y., for his own
Account of Providence A.S. Society,
which please send her - There will
probably be a small Box sent of Hammers
of 5 Dec^r with some Articles which could
not be had in time for the present -
Mr. Welsh will write you at length - Please
advise my Sister at earliest, how the
Articles sell, & the description you w^d
recommend as most likely to be in
demand next season - Wishing you
much success in the present Fair -

I am Dear Madam
Yours faithfully
Andrew Paton

from the fussum of despatching these
